# CRAWLER EXCAVATOR ZE18GU

|                             | Items                        | Units          | ZE18GU            |
|-----------------------------|------------------------------|----------------|-------------------|
| <b>Basic Technical Data</b> | Operating Weight             | kg             | 1800              |
|                             | Standard bucket capacity     | m <sup>3</sup> | 0.04              |
|                             | Slewing Speed                | r/min          | 10                |
|                             | Traveling Speed(high/low)    | km/h           | 3.8/2.2           |
|                             | Digging Force of Bucket(ISO) | kN             | 17                |
|                             | Digging Force of Stick(ISO)  | kN             | 10                |
| <b>Engine</b>               | Engine Manufacturer          | -              | Kubota            |
|                             | Engine Model                 | -              | D902              |
|                             | Rated Power                  | kW/rpm         | 11.8/2300         |
|                             | Displacement                 | L              | 0.898             |
|                             | Emission Standard            | -              | EU Stage V/Tier 4 |
| <b>Dimensions</b>           | Length                       | mm             | 3545              |
|                             | Width                        | mm             | 990-1240          |
|                             | Height                       | mm             | 2385              |
|                             | Tail Slewing Radius          | mm             | 620               |
|                             | Track Gauge                  | mm             | 760-1010          |
|                             | Length of Track On Ground    | mm             | 1230              |
| <b>Operating Range</b>      | Max. Digging Radius          | mm             | 3910              |
|                             | Max. Digging Reach           | mm             | 3845              |
|                             | Max. Digging Depth           | mm             | 2316              |
|                             | Max. Digging Height          | mm             | 3542              |
|                             | Max. Dumping Height          | mm             | 2429              |
